### **Kanamic Network selected to “JPX-Nikkei Mid and Small Cap Index”**

The Company hereby announces that it has been selected to the JPX-Nikkei Mid and Small Cap Index, an index jointly provided by Tokyo Stock Exchange, Inc. and Nikkei Inc.

The JPX-Nikkei Mid and Small Cap Index is comprised of 200 highly attractive listed companies (whose main market for common shares is the Tokyo Stock Exchange (TSE) 1st Section, 2nd Section, Mothers, or JASDAQ), which are selected according to the following process and criteria: large cap issues constituting the top 20% of market capitalization on the base date are first excluded from selection; And, following this, selections to the index are then made by taking into account scoring based on quantitative indicators, like 3-year average ROE, as well as scoring based on qualitative indicators, such as the appointment of Independent Outside Directors and the Disclosure of English Earnings Information via TDnet ( “Company Announcements Distribution Service” in English).

In pursuit of meeting stakeholder expectations and fulfilling the Company’s guiding principle of using cloud technology to support regional comprehensive care within a super-elderly society, the Company will continue to endeavor to increase enterprise value, and appreciates your continued support.
