Unipres Corporation (headquartered in Yokohama, Kanagawa Prefecture, Japan; Mr. Nobuya Uranishi, President and Representative Director) has published “Unipres Sustainability Report 2021” which sets forth the initiatives to achieve sustainability in the Unipres Group.

At the Unipres Group, we are building mutual understanding and forging relationships of trust with stakeholders and, we undertake various initiatives to maintain our growth, thereby contributing to the sustainable development of society as a whole. We produced “Unipres Sustainability Report 2021” with the aim of further deepening the understanding of Unipres through the disclosure of non-financial information. The report introduces activities mainly during FY2020 (from April 1, 2020 to March 31, 2021) in each stakeholder category.

Although there are also some respects in which our ESG-related approaches are still insufficient, we are committed to continued promotion of activities through dialogue with our stakeholders.
