### **Notice of Change in Sector Classification of the Company's Stock**

Kitanotatsujin Corporation (the "Company") provides notice that the sector classification of the Company's stock on the Tokyo Stock Exchange and the Sapporo Securities Exchange, where the Company's stock is listed, will be changed from current "Foods" to "Chemicals" by the decision of the Securities Identification Code Committee.

In accordance with this change, the Company's stock will be displayed in the "Chemicals" section in the stock price column of various newspapers, etc. There will be no change in the securities code (2930).

#### 1. Details of Change

	Current sector classification	New sector classification
Main classification	Manufacturing	Manufacturing
Sub classification	Foods	Chemicals

#### 2. Reason for Change

Due to an increase in the ratio of sales of skincare cosmetics and other chemical-related businesses to the Company's total sales, it has been decided to change the sector classification of the Company's stock to "Chemicals" as a result of the determination of sector classification based on the criteria for changing sector classification set forth in the "Handling Guidelines for Sector Classifications" established by the Securities Identification Code Committee.

#### 3. Date of Change

Friday, October 1, 2021
