### Explanation of Changes

Occupancy increased for Office, Central Tokyo, and Other Regional Cities due to new tenants at the Ichigo Shibuya Dogenzaka Building, Ichigo Higashi Gotanda Building, and Ichigo Takamatsu Building.

### Value-Add Actions

As part of its ongoing efforts to increase tenant satisfaction and drive earnings via value-add capex, Ichigo Office has been focusing on minimizing downtime at re-tenanting. The recently completed renovation work of the common areas – including the elevator hall, hallway, and restrooms – of a vacant floor at the Ichigo Shinkawa Building is expected to contribute towards a rapid lease-up of vacant spaces as well as driving higher rents at re-tenanting.

Ichigo Office will continue to work to increase tenant satisfaction and the competitiveness of its assets to drive higher earnings for shareholders.
