© : *The values displayed in these materials are truncated at the million-yen level.
*1: Net sales do not include consumption taxes, etc.
*2: "Net income" in the non-consolidated financial statements
*3: Kanro conducted a share consolidation of common stock at a ratio of one share for five shares effective as of July 1, 2017 and a stock split of its common stock at a two-for-one ratio with the effective date of July 1, 2019. Dividends per share, net assets per share, basic earnings per share, and total number of issued shares at the end of the period (not including treasury shares) are calculated on the assumption that the share consolidation and the stock split were conducted at the beginning of FY2016.
*4: The Company's own shares remaining in the trust that were recorded as treasury shares in shareholders' equity from FY2017 onward are included in treasury shares that are deducted from the total number of issued shares at the end of the period when calculating net assets per share. In addition, these shares are included in treasury shares that are deducted when calculating the average number of shares during the period for the calculation of basic earnings per share.
*5: Dividends per share of FY2018 includes a special dividend of 2.5 yen per share.
