<For this English release only>

The relevant sections of the securities reports have been amended and filed to Kanto Local Finance Bureau on September 28 (available only in Japanese). Regarding the reason why those amendments have been required, as it is described on the amended securities reports, the relevant regulation of Act on Investment Trusts and Investment Corporations was judged by mistake for interested parties and required disclosures had been omitted. Also please note that the asset management reports for the 2<sup>nd</sup> and 3<sup>rd</sup> fiscal period were available only in Japanese.
