

ACOM Added New Functions to Its Official Smartphone Application

ACOM CO., LTD. is proud to announce addition of 2 new functions, Virtual Card issuance and Smartphone ATM withdrawal to enhance user-friendliness.

ACOM will continue to enhance customer reception quality and digitalization for better customer experience.

1. Virtual Card

Effective Date: October 4, 2021

Virtual Card (Credit Card) can be instantly issued via smartphone. Customers can check its credit card number, expiry date and security code via smartphone application at any time, enabling customers to shop online anywhere.

2. Smartphone ATM

Effective Date: October 11, 2021

We add new function, Smartphone ATM, enabling withdrawal (borrowing) at Seven bank's ATMs which were used only for repayment, by scanning QR code on ATM screen via smartphone application.
