GOR Announces GRESB Assessment Results (PR Information)

18 October 2021 - Global One Real Estate Investment Corp. (“GOR”) announces today that it acquired the status of “5 Stars” and “Green Star” designation for the 2021 GRESB Real Estate Assessment. It also received the highest “A Level” for the GRESB Public Disclosure as described below.

1. Overview of GRESB

GRESB is an annual benchmark assessment for environmental, social and governance (ESG) issues in the global real estate sector, as well as the name of organization which runs the assessment. It was established in 2009 by a major European pension funds group who took initiative in the establishment of Principles for Responsible Investment (PRI) advocated by United Nations. Currently, 140 GRESB Investor Members (with more than \$47 trillion in assets under management) use GRESB data in the selection of investment targets and in the dialog with investment destinations, and several institutions from Japan including Government Pension Investment Fund (GPIF) utilize GRESB Assessment results. In 2021, 1,520 listed or private real estate companies/funds participated in GRESB Real Estate Assessment.

For details of the GRESB, please refer to the website (<https://gresb.com/>).

2. Assessment results

(1) GRESB Real Estate Assessment

GOR received a “5 Stars” in GRESB Rating, the same as last year, which is based on GRESB Overall Score and its quintile position relative to global participants. It was also granted a “Green Star” designation for the third consecutive year by achieving high performance both in “Management Component” that evaluates policies and organizational structure for ESG promotion, and “Performance Component” that assesses environmental performance and tenant engagement of properties owned.

(2) GRESB Public Disclosure

GOR also received the highest “A Level” for the GRESB Public Disclosure, which assess the width of ESG disclosure, for the second consecutive year.

3. GOR’s endeavors toward the future

GOR and its asset manager, Global Alliance Realty Co., Ltd. (“GAR”) will continue our endeavors based on the “ESG Policy” established in March 2019 by GAR, as we implement environmental and energy saving measures at our owned properties and take a variety of social requirements into consideration.
