

TOPCON REPORT 2021 has been issued

TOPCON REPORT illustrates our company's value creation story to provide a better understanding of our efforts to enhance corporate value over the long term by compiling non-financial and financial information.

New contents include:

- interview with Satoshi Hirano, President & CEO
- interview with Yoshiharu Inaba, Outside Director (Representative Director, Chairman of FANUC CORPORATION)
- SDGs initiatives

We will continue to enhance this report, and strive to increase corporate value through information disclosure in a timely and appropriate manner as well as arranging continuous dialogue with a wide range of stakeholders.
