Difference (%)	—	3.4	5.9	—
(Reference) Results for the fiscal year ended March 31, 2021	988,424	51,166	38,759	94.95

2. Reasons for Revisions

Future economic trends, including trade policies of each country, exchange rates, and geopolitical risks remain uncertain in the third quarter and thereafter.

Under these circumstances, we have reviewed the full-year consolidated forecast according to currently available information and revised it as shown above based on the results from the fiscal half-year ended September 30, 2021 and the most recent situation.

(Note) The business forecasts contained in this press release are made based on information available as of the date of the announcement. The actual results may differ from the forecasts due to a variety of factors in the days to come.
