TechnoPro Holdings, Inc. Named Best IR Award at IR Award 2021

TechnoPro Holdings, Inc. hereby announces that it has been recognized by the Japan Investor Relations Association (JIRA) as one of the Best IR Award winners at the IR Award 2021.

The IR Award, marking its 26th event, is designed to recognize companies which have been highly accredited in the investor community for their understanding and promotion of IR activities.

Following to the winning of the Best IR Award for Encouragement for 2019, this year the Company was named as one of the Best IR Award winners among 293 companies that applied as a result of highly evaluated initiatives below.

- TechnoPro's newly-appointed President is actively involved in IR activities.
- The management strategy is built on a long-term vision, and is easy to understand, coupled with the explanation of the overall picture of the industry.
- Data of high interest to investors have been identified as important KPIs. TechnoPro's additional disclosure of contract renewal rates, working days, working hours per day, etc. has been highly noted.
- Even during the COVID-19 pandemic, the company has indicated the management policy and the policy on capital efficiency and has also provided opportunities for dialogue with outside executives.
- IR materials, including integrated report and financial briefing materials, are extensive.

TechnoPro Holdings, Inc. will continue to disclose information fairly and transparently to our shareholders and investors, and strive to achieve sustainable growth and maximize corporate value.
