Notice Concerning Application for Selecting the Prime Market, a New Market Segment

On July 9, 2021, Makita Corporation (hereinafter referred to as “Makita”) received the primary screening results from Tokyo Stock Exchange, Inc. (hereinafter referred to as the “TSE”) on whether Makita satisfies the listing criteria under the new market segment framework, and confirmed that it qualifies for the Prime Market.

Makita hereby announces that, based on the primary results, it resolved at the Board of Directors’ meeting held today to select the Prime Market under the TSE’s new market segment framework.

Going forward, Makita will proceed with the necessary procedures to apply for the new market segment it has selected in accordance with the timeline set forth by the TSE.
