Announcement of Launch of Malaysian Subsidiary and Commencement of its Operations

Nihon M&A Center Holdings Inc. today announced the launch of a Malaysian subsidiary, Nihon M&A Center Malaysia Sdn. Bhd., which begins its operations on December 1, 2021.

Purpose

The Nihon M&A Center group established an overseas support department in April 2013 with a view toward supporting cross-boarder M&A projects following a recent increase in Japanese businesses launching overseas operations and the sale of overseas subsidiaries. In March 2020, it opened a representative office in Kuala Lumpur, Malaysia to collect information and conduct market research. With an establishment of a subsidiary, it will further enhance its business activities and its provision of services, expecting to increase the information in its possession and the number of cross-boarder M&A transactions closed between Japan and Malaysia and the other ASEAN countries.

After opening its first overseas office in Singapore in April 2016, it successively established the Indonesian Representative Office in October 2019, the Vietnam subsidiary in February 2020, and the Thailand Representative Office in October 2021, strengthening its system for supporting cross-boarder M&A projects.
