2. Overview of the Climate Change Action Environment Minister's Commendation

The Climate Change Action Environment Minister's Commendation is a commendation presented by the Ministry of the Environment to individuals and organizations that have made outstanding achievements to addressing climate change. The ministry launched the Environment Minister's Commendation for Global Warming Prevention Activities in 1998 as part of its global warming countermeasures, but in consideration of factors such as recent trends in climate change countermeasures in society, the commendation was updated in 2020 to the Climate Change Action Environment Minister's Commendation.

For more details on the commendation, please refer to the following website.

- Ministry of the Environment: <https://www.env.go.jp/press/110178.html>
- Climate Change Action Environment Minister's Commendation: https://www.env.go.jp/earth/ondanka/min_action_award/index.html

3. Future Outlook

NMF and the Asset Management Company will continue to carry out asset management that gives due consideration to ESG (environmental, social and governance) issues, including “mitigation” and “adaptation” in the area of climate change. Please refer to the following website concerning ESG initiatives by NMF and the Asset Management Company.
