Notes

1. Announcement date of financial results after the change

The Company plans to make an announcement on Wednesday, February 9, 2022.

2. Reason for the rescheduling of financial results announcement

The Company has been preparing for the announcement of its financial results for the first quarter of the fiscal year ending September 30, 2022, on Wednesday, February 2, 2022. However, it was found that there were some errors in the accounting procedures of our consolidated subsidiaries, and it is taking more time than usual to complete the audit procedures and other financial closing operations of the Company and its consolidated subsidiaries. For this reason, we have decided to change the announcement date of the financial results.

The Company regrets any inconvenience caused to its shareholders and investors, and sincerely appreciates their understanding.
