**KATITAS supports the recommendations of the Task Force on Climate-Related
Financial Disclosures (TCFD)**

KATITAS Co., Ltd. (President & CEO: Katsutoshi Arai, headquarters: Kiryu, Gunma Prefecture, securities code: 8919, hereinafter “KATITAS” or “the Group”) announced its support for the recommendations of the Task Force on Climate-Related Financial Disclosures (TCFD).

Based on this, KATITAS has decided to support the recommendations made by the TCFD, and will address the risks and opportunities presented by climate change through enhanced information disclosure to further reinforce its foundation for sustainable growth. This will be done by enhancing climate change governance, conducting scenario analyses of risks and opportunities, and analyzing financial impacts, in accordance with the TCFD framework.

TCFD: A task force established in 2015 by the Financial Stability Board (FSB), an international agency that aims to stabilize the financial system. The TCFD recommends disclosure of business risks and opportunities related to climate change.
