\*Figures for net sales indicate the year-on-year comparison.

\*Figures in parentheses indicate the number of franchise stores.

**[Monthly comment]**

In January, net sales totaled 111.7% for existing stores compared with the previous year and 122.1% for all stores.

Due to factors including favorable sales of winter apparel with the drop in temperature nationwide as well as stable sales of brand items, hobby-related items and audio-visual equipment, sales for both existing stores and all stores increased year on year.
