### Corporate Reorganization (Effective April 1, 2022)

Ichigo is reorganizing its Sustainable Real Estate organizations and IT functions to deepen Ichigo's sustainable infrastructure capabilities, accelerate its DX (digital transformation), and support the achievement of Ichigo's long-term sustainability goals.

#### Overview

By consolidating its Sustainable Real Estate functions under an integrated Sustainable Real Estate platform, Ichigo is building an organizational structure that can flexibly respond to changes in the market environment.

Ichigo is also accelerating its DX to drive long-term shareholder value and its growth as a sustainable infrastructure company by consolidating key functions under a new group that reports directly to Ichigo's President.

#### Details

- The Sustainable Real Estate Division and Real Estate Operation Group will be dissolved and its functions integrated into Ichigo Estate.
- The Sustainable Planning Group and the IT Engineering Group will be merged into a newly established DX Acceleration Group that reports directly to Ichigo's President.
- The Sustainable Infrastructure Division will be renamed the Sustainable Infrastructure Business Division.
- The SC Operations Group will be renamed the Sustainable Infrastructure Management Group to reflect the expansion in the scope of its business activity.
