Notice on Issuance of Integrated Report

USEN-NEXT HOLDINGS Co., Ltd. (the “Company”) hereby announces that it has issued its first Integrated Report.

The Company has issued the Integrated Report with the aim of providing stakeholders with a deeper understanding of its overall management and corporate activities, which work towards the creation of sustainable corporate value.

In this Integrated Report, we focused on extracting information that are particularly necessary to investors, introduced the Group’s vision as well as the current state and initiatives of each business, laid out the foundation for value creation and such that support the above, and conveyed the overall picture of the Group by including non-financial information.

We hope that this Integrated Report will serve as a helpful tool for stakeholders to better understand the Company. In the future, the Company will further improve, enhance, and update the quality and quantity of the Integrated Report, pursue sustainable growth and evolution of its businesses, and work to further enhance its corporate value.
