February 2022 Operating Results

The Company released data today on results for February 2022. For details on non-consolidated net sales, and year-on-year growth on sales per customer and the number of customers of the B-to-B business, see the Supplementary Information.

## Net sales

Non-consolidated net sales for February (from January 21, 2022 to February 20, 2022) increased 3.9\% year-onyear. Non-consolidated net sales of the mainstay B-to-B business increased 3.6\%. Compared to February 2021, the number of business days was one less on weekdays, the growth rate after the adjustment is estimated to be $8.2 \%$ year-on-year. In addition to signs of a recovery in demand for office supplies, sales were strong due to special demand such as increased sales of testing kits and other items in response to the wide spread of Omicron-variant and rush demand before the price revision of copy paper.
Non-consolidated net sales of LOHACO increased 6.2\%.

## Notes:

1. The January 2022 operating results contained some errors in the figures for the non-consolidated net sales and LOHACO. The restated figures are underlined.
2. Effective from the current fiscal year, the Company has adopted the "Accounting Standard for Revenue Recognition", etc.
3. Domestic sales of LOHACO are listed separately from July of this fiscal year. Accordingly, the figures for June of the current fiscal year and the previous fiscal year are described retroactively.
4. The total distribution of B-to-C business is not described due to closing of LOHACO Market Place in the previous fiscal year. (The total distribution of B-to-C business is calculated by adding net sales of Charm Co., Ltd. and transactions via LOHACO Market Place (excluding the Charm Co., Ltd. portion) to net sales of LOHACO.
5. Sales per customer is average monthly purchase amount for customers who purchased in each month.
6. The total of non-consolidated net sales includes net sales of the Logistics business.
7. For monthly operating results, accounts are settled as of the 20th of each month on a provisional basis.
8. For the schedule of the release of our monthly operating results, please see the following page of our Investor Relations website: https://www.askul.co.jp/kaisya/english/ir/calendar.html
9. The operating results disclosed herein have not been audited by certified public accountants or auditing firms. Therefore, figures may differ from those in our quarterly and full-year financial statements. convenience. All readers are recommended to refer to the original Japanese release for complete information. In the event of any discrepancy between this English translation and the original Japanese release, the original Japanese document shall prevail in all respects.
