Notice Concerning Support for Task Force on Climate-related Financial Disclosures (TCFD) Recommendations

Tokyo, March 31, 2022 — Mori Trust Asset Management Co., Ltd. (“MTAM”), the asset management company which manages assets on behalf of Mori Trust Sogo Reit, Inc. (“MTR”), has expressed its support for the recommendations of the Task Force on Climate-related Financial Disclosures (“TCFD”).

1. Outline of TCFD

TCFD is an international initiative established by the Financial Stability Board (“FSB”) at the request of the G20 for the purpose of discussing the disclosures of climate-related financial information and the responses by financial institutions. TCFD publishes recommendations for companies to disclose their governance, strategy, risk management, and metrics and targets for climate-related risk and opportunities.

2. Future Initiatives

MTR and MTAM, the asset manager of MTR, believe that initiatives to enhance sustainability in the asset management business, including environmentally friendliness, contribution to society, and the enhancement of governance, are indispensable for enhancing unitholder value. As such, it will continue to pursue initiatives that take the environment, society and governance into consideration.

Please refer to the following link for details of the ESG initiatives of MTR.
