### 2. Reasons for dividend

AEON MALL recognizes that returning profits to shareholders through improving earnings power is a key management priority. Our basic policy on income distribution emphasizes steady dividend payments to shareholders, while using internal reserves to invest in structural business improvements, including investments in growth businesses, new businesses, and other areas that strengthen our operating foundation. Our policy is to maintain a consolidated payout ratio of at least 30%.

AEON MALL has resolved to pay a year-end dividend of ¥25 per share, as originally forecast. In combination with an interim dividend of ¥25 per share, the annual dividend for the fiscal year will amount to ¥50 per share. The Company plans to pay dividends of ¥50 per share for the next fiscal year, level with FY2021 dividends.

Under our articles of incorporation, distributions of retained earnings are subject to the approval of our board of director
