We announce today that we will launch “Daiwa Securities Group 120th anniversary Children’s Future Project” to express our gratitude to local communities, as well as to support children who will bear the future.

Daiwa Securities Group recognizes that the biggest social issues to be resolved are poverty and disparity. Since 2017, we therefore have been working on “For Your Dreams- Daiwa Securities Group Children’s Smile Project” to improve environments for children living in difficult financial circumstances and break the chains of poverty. We will continue to strive to help solve the child poverty issue.
