Supporting TCFD (Task Force on Climate-related Financial Disclosures) Recommendations and participating in the TCFD Consortium

istyle Inc. (President and CEO: Tetsuro Yoshimatsu) announces its support for the recommendations of the TCFD (Task Force on Climate-related Financial Disclosures)*1 and its participation in the TCFD Consortium*2, a forum for discussions among TCFD supporting companies and financial institutions.

We are aware that istyle Group's business may be affected by climate change in a variety of ways. We will respond to climate-related business risks while at the same time identify new opportunities and reflect them in our business strategies.

Taking this opportunity to express our support for the TCFD recommendations, we will promote business activities to solve environmental and social issues utilizing istyle Group strengths, enhance information disclosure based on the TCFD recommendations, and work together with our stakeholders to realize a sustainable society.

Sustainability Page: <https://www.istyle.co.jp/csr/>

1 TCFD

Established in 2015 by the Financial Stability Board (FSB) at the a request of G20. It assesses the financial impact caused by climate-related risks and opportunities, and recommends disclosures on four elements, governance, strategy, risk management, and metrics and targets.

2 TCFD Consortium

Established in 2019 as a forum to discuss effective corporate disclosure and efforts to link disclosed information to appropriate investment decisions by financial institutions and others. Its efforts are promoted by companies and financial institutions that support the TCFD recommendations.
