## Kudan and Artisense demonstrating its latest SLAM software at AUVSI XPONENTIAL 2022

---

Kudan Inc. (headquartered in Shibuya-ku, Tokyo; CEO Daiu Ko, hereafter "Kudan") along with its group company, Artisense Corp (hereafter "Artisense") is pleased to announce that Kudan and Artisense will be exhibiting at AUVSI XPONENTIAL 2022 to showcase our portfolio of SLAM software products. Our portfolio of products covers the full range of camera-based and 3D lidar-based SLAM to meet the challenges of providing computer vision for unmanned and autonomous devices.

*Drop by our booth (#1350) to learn about and see demonstrations of the latest SLAM software from Kudan and Artisense to power your unmanned and autonomous systems.*

We will have interactive demonstrations with direct visual SLAM, feature-based visual SLAM, and lidar SLAM throughout the show, so come visit us to learn more about how Kudan and Artisense can elevate the performance of your autonomous mobile devices and robots.
