S-10W_CSMinami shimabara-shi West	1.69	April 22, 2022	Kyushu

(Note) Fund shifts from curtailing output for an entire day to curtailing output in increments and only at peak hours for those power plants with remote-controlled curtailment devices.

2. The Financial Impact of the Curtailment

The financial impact during April of this Curtailment is to be provided in the middle of May together with the impact of the curtailment announced in “Notice Concerning the Temporary Output Curtailment by Kyushu Electric Power” released on April 4 and April 11, 2022, and in “Notice Concerning the Temporary Output Curtailment” released on April 18, 2022 and the following announcements in April after today, if any.

3. Disclosure timing of the Temporary Output Curtailment

CSIF announces the result of temporary output curtailment on Monday (next business day if it is not a business day) if the temporary output curtailment is conducted in previous week (from Monday to Sunday). Regarding The Financial Impact of the Curtailment during the Month being announced monthly basis in the middle of next month for the purpose of providing more accurate information. This is caused of that Canadian Solar O&M Japan K.K., the O&M operator for CSIF aggregates of detailed on the time slots the curtailment conducted for the Installed Power Plant and the substantial suspended energy output for those power plant.
