### Notice on Differences in Individual Business Results of Kanematsu Sustech Corporation from the Reported Results of the Previous Fiscal Year

Kanematsu Corporation (the "Company") hereby announces the differences that have emerged in the individual business results of Kanematsu Sustech Corporation, the Company's subsidiary, for the fiscal year ended March 31, 2022, from the reported business results of the previous fiscal year.

#### 1. Individual business results for the fiscal year ended March 31, 2022 (April 1, 2021 - March 31, 2022)

Individual business results (The percentages show the change from the previous fiscal year.)

	Net sales		Ordinary profit		Net profit	
	Million yen	%	Million yen	%	Million yen	%
FY2022	12,582	15.5	1,003	36.3	696	42.9
FY2021	10,892	-8.6	736	-22.6	487	-25.5

#### 2. Reason for the differences

These differences are mainly attributable to the strong sales of high value added products in the non-housing areas such as proprietary land improvement-related technologies and relevant parts.
