Notification concerning that Tripleize, one of Kudan Vision's portfolio companies, got listed on TSE Growth

Kudan Inc. (headquarters in Shibuya-ku, Tokyo; CEO Daiu Ko, hereafter "Kudan") is pleased to announce that Tripleize Co., Ltd. (headquarters in Chiyoda-ku, Tokyo; President Yuichiro Yamada, hereafter "Tripleize"), a leading company in image recognition technology based on deep learning, got listed today on the Tokyo Stock Exchange Growth market (Securities code: 5026). Tripleize is the first investment of Kudan Vision[※].

(※Kudan Vision is a Kudan's group company and mainly engaged in investment and Deep Tech research.)

Based on its management philosophy of "Putting imagination on technology", Tripleize develops and provides a wide range of services that utilize cutting-edge technologies such as AI, IoT, and blockchain, including AIZE, which is an image recognition platform based on a proprietary AI engine. Also, Tripleize has focused on developing services to realize DX innovation. In particular, its unique image recognition AI technology has been contributing to the further spread and development of DX in the Japanese industrial world. In addition, Tripleize has been developing Go AI for a long time and is one of the few Japanese companies to demonstrate the most advanced AI technology.

Kudan Vision made the investment in June 2021 in order to support Tripleize in further strengthening its R&D and social implementation capabilities and expanding its business development. Tripleize and Kudan will continue to focus on expanding our business development and social implementation in a wide range of industries beyond the technical limitation of our respective technologies through the integration of Tripleize's advanced AI technology and system implementation capabilities with Kudan's proprietary localization technology.
