Notice Regarding Disclosure Delay of Financial Results for FY2022 for More than 50 Days

FUJIMI INCORPORATED (hereinafter "Fujimi") today disclosed its Financial Results for the Fiscal Year Ended March 31, 2022. Fujimi hereby informs of the reason of disclosure delay for more than 50 days after the fiscal year-end and its measures to improve future disclosures of financial results.

1. Reason of delay for more than 50 days after the fiscal year-end

As Fujimi announced in the "Notice Regarding Delay of Financial Results Disclosure for FY2022" dated April 20, 2022, due to the cyber-attack to Fujimi and its subsidiary, Fujimi Taiwan Limited on February 20, 2022, Fujimi needed more time for year-end accounting process. Therefore, the financial results for the fiscal year ended March 31, 2022, were disclosed more than 50 days after the fiscal year-end.

2. Measures to improve future disclosures of financial results

Fujimi will strive to enhance measures to prevent reoccurrence so as to disclose its future financial results within 45 days after the end of each fiscal term.

Fujimi would like to express our deepest apologies to our business partners, shareholders, investors, and other stakeholders for the inconvenience and concern this incident has caused.
