Japan Securities Finance launches handling margin loan business for Osaka Digital Exchange's PTS (Proprietary Trading System).

In response to the launch of standardized margin transactions on Osaka Digital Exchange Co., Ltd.'s PTS from June 27, 2022 (Monday), Japan Securities Finance has decided to begin handling ODX's PTS (Proprietary Trading System) margin loan business from the same date.

The Company is committed to contributing to the smooth distribution of securities and fair price formation as well as to the development of the securities market through the implementation of ODX's margin loan business for PTS.

Please note, the impact of these transactions on the Company's business performance is expected to be negligible.

Please contact your securities company for the handling of standardized margin transactions on PTS.

<About JSF>

Japan Securities Finance Co., Ltd. (JSF) is the sole securities finance company in Japan incorporated in 1950 with a license under the Financial Instruments and Exchange Act. Its main business is the provision of funds and securities to securities companies for settlement of standardized margin transactions pursuant to the above law, and also provision of securities lending and financing. As an institution specializing in the securities finance business, JSF, with a keen awareness of this public role, has a mission of contributing to the development of the securities market by proactively meeting the diverse needs of securities and financial circles and boosting the long-term interests of securities market participants. JSF's credit rating is AA- under both Rating and Investment Information, Inc. and Japan Credit Rating Agency, Ltd., and A under S&P Global Ratings. JSF's stock is listed on the Tokyo Stock Exchange.
