Reference Materials – Reference - < Policy on Cross-Shareholdings >

The corrections are underlined.

(Before correction)

Under the current medium-term management plan (from April 2020 to March 2022), we have decided to reduce our overall cross-shareholdings by 30% (over 20 billion yen at market value as of March 2019) by the end of March 2022 to improve capital efficiency.
