Support for TCFD Recommendations

TechnoPro Holdings, Inc. (Minato-ku, Tokyo; Takeshi Yagi, President, Representative Director and CEO) hereby announces its support for the Task Force on Climate-related Financial Disclosures (TCFD) recommendations. In addition, the Company will join the TCFD Consortium, which serves as a platform for supporter companies and financial institutions to hold discussions.

In order to contribute to a sustainable society and achieve sustainable corporate growth, TechnoPro Holdings, Inc. will enhance the disclosure content on climate change proactively via the Annual Securities Report, the Integrated Report, and website.

About TCFD (Task Force on Climate-related Financial Disclosures)

The TCFD is a task force established in 2015 by the Financial Stability Board (FSB), an international organization seeking to stabilize the financial system, in response to a request regarding climate-related information disclosure from the G20 Finance Ministers and Central Bank Governors' Meeting. TCFD recommends companies to disclose climate-related risks and opportunities based on four factors: Governance, Strategy, Risk Management, and Metrics and Targets.

About TCFD Consortium

The TCFD Consortium was established in 2019 as a platform for discussions on effective disclosures by companies and efforts to facilitate appropriate investment decisions by financial institutions based on the information disclosed. In the consortium, TCFD supporter companies and financial institutions are promoting these initiatives.
