In "(Progress of disclosure) Notice regarding the listing of shares of a Korean consolidated subsidiary" dated July 7, 2022, we announced the planned listing time of our consolidated subsidiary W-SCOPE CHUNGJU PLANT CO., LTD. However, we are pleased to inform you that the scheduled listing date has been changed as follows today.

(Scheduled listing time)

Before change: August 2022

After change: September 2022

(Reason for change)

Our consolidated subsidiaries are expected to perform well in the second quarter financial results for the fiscal year ending December 2022, and will be reflected in the securities declaration after the financial results are finalized. Then, we will proceed with the stock offering after appropriately evaluating the corporate value with this information and evaluating the outlook of the battery-related industry as a whole after the announcement of the first half financial results of each battery-related industry company.
