## The Number of FPG Partnership Agreements with Accounting Firms Exceeds 6,000

FPG has been able to provide attractive products and services to our many customers, by establishing a strong sales network through FPG partnership agreements with accounting firms across Japan.

This strong sales network is one of the foundations of our growth, and we are pleased to announce that the number of partnership agreements with accounting firms has exceeded 6,000 as at the end of June 2022.

Going forward, FPG will continue to leverage our strong network of accounting firms to provide products and services that meet the diverse needs of our customers, while focusing on the development of new products that leverage the synergies of our group, with the aim of further expanding our business performance and increasing our corporate value.

Trend in the number of FPG partnership agreements with accounting firms
