(Note) Revisions to the consolidated financial forecast announced most recently: Yes

The Company is in the process of examining the impact of the March 28, 2022 acquisition of PDRadiopharma Inc. on its financial results, such as the purchase price allocation, and plans to disclose the consolidated financial forecasts for the fiscal year ending December 31, 2022 for items other than revenue and core operating profit as soon as they are finalized.

From the consolidated financial forecasts for the fiscal year ending December 31, 2022 onward, the Company will disclose core operating profit, which excludes non-recurring revenues and expenses from operating profit, as a metric that indicates profitability on a recurring basis. Items that are excluded from operating profit to calculate core operating profit include accounting effects of business acquisitions and acquisition-related costs, impairment loss on property, plant and equipment, intangible assets and goodwill, gains or losses on compensation, settlements, non-recurring and significant gains and losses, and amortization of intangible assets from introduction of individual products or developments.

\* Quarterly financial results reports are not required to be subjected to quarterly review by a certified public accountant or an audit firm

\* Explanation on the appropriate use of operating forecasts and other special instructions

(Caution regarding forward-looking statements)

Financial forecasts and other statements regarding the future presented in these materials are based on information currently available and certain assumptions deemed to be reasonable and are not meant to be taken as commitment of the Company to achieve such results. Actual performance may differ substantially due to various factors.

(Adoption of International Financial Reporting Standards (IFRS))

IFRS is applied from the three months ended March 31, 2022, in place of the Japanese standard. Accordingly, the figures for the six months ended June 30 of the previous fiscal year and the previous fiscal year are also calculated in accordance with IFRS for comparison purposes.
