Note 1: The first interest payment of Term Loan 197-A is due at the end of September 2022, and on the last day of every 1 month thereafter with the principal repayment day. The first interest payment of the Green Loans other than Term Loan 197-A and debt financing is due at the end of November 2022, and on the last day of every 3 months thereafter with the principal repayment day. If each interest payment day or the principal repayment day is a non-business day, then the interest payment or the principal repayment will be due on the next business day and if that next business day is in the next month, then previous business day will be applied.
Note 2: The base rates that are applied during interest period for the interest due on each interest payment date shall be calculated based on each Japanese Yen TIBOR, which JBA TIBOR Administration ("the JBATA") releases two business days before each interest payment date. The Japanese Yen TIBOR of the JBATA is available on the JBATA website (https://www.jbatibor.or.jp/english/rate/).
Note 3: The undecided matters will be announced upon determination.

## 2. Purpose of Debt Financing

The above borrowings are to apply the fund towards the repayments of existing borrowings of 11,450 million yen due on August 31, 2022 and the prepayments of existing borrowings of 8,100 million yen due on the same date $(19,550$ million yen in total). The overviews of repayments and prepayments of existing borrowings are as follows:

The new debt financing from Shinkin Central Bank will bring the total number of financial institutions to 26, which is expected to further diversify and expand the number of financial institutions with which the Investment Corporation deals.

## 3. Purpose of Financing through Green Loans

In 2019, the Investment Corporation established a Green Bond Framework and had been financing through green bonds. Now, with the aim of contributing to the development of the domestic market by providing financing opportunities to financial institutions which are active in ESG financing, the Investment Corporation decided to review the existing Green Bond Framework, restructure it as the Green Finance Framework, and implement financing through Green Loans. The Framework has received a "Green1(F)" rating in the "JCR Green Finance Framework Evaluation" (Note) from Japan Credit Rating Agency, Ltd. ("JCR") on August 10, 2022.

Note: The details of JCR Green Finance Framework Evaluation are available on the JCR website (https://www.jcr.co.jp/en/greenfinance/).

## 4. Interest Rate Swap Agreements

(1) Purpose of Interest Rate Swap Agreements

For a hedge against possible increases in future interest rate on borrowings with floating interest rates (Term Loan 197-B, 197-C, 197-D, 197-E, 197-F and 197-G).

5. Status of Borrowings and Investment Corporation Bonds after the Debt Financing and the Prepayments etc. (as of August 31, 2022)
(Millions of yen)

| Classification | Balance before <br> the Debt Financing and <br> the Prepayments etc. | Balance after <br> the Debt Financing and <br> the Prepayments etc. | Difference |
| :--- | ---: | ---: | ---: |
| Short-Term Borrowings ${ }^{\text {(Note 1) }}$ | 15,100 | 186,850 | 800 |
| Long-Term Borrowings (Note 2) $^{\text {Long }}$ | 201,950 | $-14,300$ |  |

| Investment Corporation Bonds | 214,950 | 13,000 | 0 |
| Total Borrowings and Investment Corporation Bonds | 214,950 | 0 |  |

Note 1: Short-term borrowings refer to debt financing with a period less than or equal to one year from the drawdown date to the principal repayment date. However, the borrowings for which the period until the principal repayment date has surpassed one year because the principal repayment date after one year from the drawdown date is not a business day, and for which the principal repayment date has been moved to a different business day, are included in short-term borrowings.
Note 2: Long-term borrowings refer to debt financing with a period more than one year from the drawdown date to the principal repayment date.

## 6. Other

For risks concerning the prepayments, etc. of the aforementioned debt financing, there are no significant changes to the "Investment Risks" as described in the Securities Report (submitted on July 26, 2022).
