### **Notice of Support for the Recommendations of the Task Force on Climate-related Financial Disclosures (TCFD)**

Japan Airport Terminal Co., Ltd. hereby announces that it has expressed its support for the recommendations of the Task Force on Climate-related Financial Disclosures (“TCFD”) \*.

The Japan Airport Terminal Group, as a purely private company engaged in construction, management and operation of highly public passenger terminals, has adopted a basic philosophy of “Harmony between the Business and the Society”. To realize our long-term vision, “To Be a World-Best Airport - To be the world’s most respected airport, pursuing the satisfaction of all stakeholders -,” positioning response to climate change as one of the most important management issues, JAT group has made various efforts to reduce its environmental impact.

Going forward, JAT group will actively promote information disclosure based on the TCFD recommendations and contribute to the realization of a sustainable society through our business activities.

\* TCFD (Task Force on Climate-related Financial Disclosures):

Established in 2015 by the Financial Stability Board (FSB), at the request of the G20. In order to reduce the risk of destabilization of financial markets, it has recommended that companies disclose information on the financial impact of risks and opportunities that climate change poses to their business activities, as well as specific responses and strategies.
