### **Notice Regarding Publication of Asahi Intecc Group "Integrated Report 2022"**

Asahi Intecc announces that the publication of the Group's first "Integrated Report 2022" for revamping our previous Sustainability Report.

The Company has issued this integrated report to deepen our stakeholders' understanding of our group's efforts to sustainably enhance our corporate value.

In this integrated report, we focused on conveying the overall picture of our group by identifying information that investors particularly need, organizing the top management message, our group's management policy, value creation process, growth strategy, and sustainability initiatives, and also enhancing the disclosure of both financial and non-financial information.

The special feature in this report includes a dialogue between institutional investors and the CEO, as well as an interview with an outside director, which provides an in-depth look at the Group's long-term outlook, growth strategy, corporate culture, CEO's thoughts on management structure, financial strategy, and the function and effectiveness of the Board of Directors.

We hope that this integrated report will help our stakeholders better understand our group.

We will continue to enhance the content of our disclosure to deepen stakeholders' understanding of our group and to further improve our corporate value.

The English version is currently being prepared.
