

**Notice Regarding Achievement of 100 Billion Yen Milestone  
in Cumulative Sales of Real Estate Fractional Ownership Investment Products**

Financial Products Group Co., Ltd. (FPG) are pleased to announce that our cumulative sales of real estate fractional ownership investment products exceeded 100 billion yen as of the end of September 2022.

FPG's real estate fractional ownership investment products have been well received by our customers as products that allow investments of as little as 10 million yen in prime real estate in the heart of Tokyo and other major cities in Japan.

FPG has established a virtuous cycle of arrangement and sales by actively acquiring real estate properties to meet strong demand from customers, and as a result, our cumulative sales of real estate fractional ownership investment products exceeded 100 billion yen as of the end of September 2022.

As a leading company in the real estate fractional ownership investment products business, FPG will continue to proactively acquire attractive real estate in prime locations of major city centers and provide new real estate investment opportunities to our customers nationwide, with the aim of growing the Real Estate Fund Business even further.

There is no change in the earnings forecast for the fiscal year ending September 30, 2022, as a result of this matter.
