## **Menicon Announces Sponsorship of the International Association of Contact Lens Educators (IACLE) to Contribute to Education for Eye Care Professionals**

Menicon Co., Ltd. is pleased to announce its sponsorship of the International Association of Contact Lens Educators (IACLE), a non-profit and non-political organization focusing on the education of contact lens educators worldwide.

At Menicon, we are committed to providing superior visual correction with our ranges of products and facilitating the "life of vision" of each contact lens wearer. Through collaboration with IACLE, we are delighted to support contact lens education and inspire the next generation of eye care professionals worldwide.

### **About Menicon Co. Ltd.**

Menicon Co., Ltd. (7780: Tokyo), founded by Mr. Kyoichi Tanaka in 1951, is Japan's first and largest contact lens manufacturer, and is now represented in over 80 countries. As a pioneering manufacturer, Menicon has held steadfast to values of safety and strived to create various comfortable and convenient contact lenses and contact lens-related products. For more information, please visit: [www.menicon.com](http://www.menicon.com)

### **About International Association of Contact Lens Educators (IACLE)**

The International Association of Contact Lens Educators was established in 1979 and is a non-profit, non-political association. IACLE has 832 active members in 81 countries (as of September 2022) and welcomes contact lens educators from all eye care professions and related disciplines. IACLE is dedicated to raising the standard of contact lens education and promoting the safe use of contact lenses worldwide. It is the leading provider of educational and information resources essential to contact lens educators. IACLE is supported by leading global contact lens manufacturers.
