[Summary]

In the month under review, net sales at like-for-like stores (total) were 121.3% and those of all stores (total) were 114.8%, respectively, compared with the same month of the previous year.

Both store and e-commerce net sales steadily grew due to a continued increase in the number of people going out. In particular, sales of fall/winter clothing were brisk as temperatures dropped in the first half of the month.

At Onward Kashiwama, the number of customers using "Click & Try" OMO service, where almost all of ONWARD brand items in its official fashion online shopping site can be delivered to a physical store to be tried on before purchasing, significantly exceeded that of the previous month, contributing to an increase in the number of customers visiting physical stores.

Chacott, which is engaged in the wellness business, saw a continued steady sales growth, while Creative Yoko, which conducts the pet and home life business, enjoyed sales expansion led by pet products. Yamato, which develops the gift business, continued to recover rapidly in sales for wedding use.
