Notice Regarding the Cumulative Arrangement Amount Exceeding 3 Trillion Yen and Cumulative Sales Amount Exceeding 1 Trillion Yen in the Leasing Fund Business

Financial Products Group Co., Ltd. (FPG) is pleased to announce that our cumulative arrangement amount and sales amount for the Leasing Fund Business exceeded 3 trillion yen and 1 trillion yen, respectively, as of the end of October 2022.

Designing products that leverage the synergies of our group is one of the strengths of FPG's products. In the Leasing Fund Business, FPG works with domestic and overseas subsidiaries and affiliates to arrange and sell the Leasing Fund Business projects for aircraft, ships, and marine containers.

In recent years, in order to contribute to the transition to a decarbonized society, FPG is actively engaged in "[Transition Finance](#)" for aircraft and ships that adopt technologies that reduce environmental impact.

As a leading company of Japanese Operating Lease, FPG will continue to offer attractive products to its customers nationwide, with the aim of growing the Leasing Fund Business even further.
