2. Reason

Our basic profit-sharing policy is to pay stable and continuous dividend payout based on our sound balance sheet with considering consolidated performance, DOE (Dividend On Equity), cash flow, and capital efficiency. The Company had not set any year-end dividend forecast for FY2022 due to difficulty with calculating an accurate and reasonable performance forecast. However, in consideration of the above-mentioned policy and future business development, the Company has decided to set the per-share dividend payout at 20.00yen.
