

## Notice of Revision of Dividend Forecast (Dividend Increase)

Tamron Co., Ltd. (hereinafter "Tamron") announces that a revision of dividend forecast for the fiscal year ending December 31, 2022, was resolved as below at the Board of Directors meeting held today.

### 1. Reasons for the revision

While taking into account R&D and capital investment in an effort to strengthen its management structure and develop new businesses based on a long-term view, Tamron endeavors to allocate profits based on business performance and has continued to allocate profits to shareholders in a stable manner.

Among other factors, in light of the results forecast for the fiscal year ending December 31, 2022 having been upwardly revised on November 2, 2022, Tamron has also decided to revise its dividend forecast and increase the year-end dividend by 28 yen to 85 yen per share. Due to the revision, the annual dividend per share for the current fiscal year will be increased by 33 yen compared to previous year to 115 yen, which represents a record annual dividend for Tamron.

### 2. Details of the revision
