Notification of Price Revisions

Smaregi, Inc. announces price revisions for using its various cloud services from January 1, 2023, as below.

1. Background of the price revisions

The number of users of Smaregi's services has steadily increased since sales began in 2011, and now over 30,000 stores are using our services. We have also been continuing with developments and improvements during that time. The price revisions are intended to further strengthen our business system so that we can continue to expand and improve our services more than ever before.

2. Overview of the price revisions

The price revisions for most of the service plans are as follows.

All of the following prices are monthly fees excluding tax.

Service of Product	Plan	Current Price (yen)	New Price (yen)
Smaregi (*1)	Premium	4,000	5,000
	Premium Plus	7,000	8,000
	Food Business	10,000	11,000
	Retail Business	12,000	14,000
	Food & Retail	15,000	17,000
Smaregi TimeCard (*2)	Standard (31 employees and over) Additional Fee per Person	1,000 (100)	1,100 (100)
	Premium Additional Fee per Person	2,000 (300)	2,200 (350)
	Premium Plus Additional Fee per Person	4,000 (400)	4,400 (450)
	Premium Plus *POS (Paid Plan) Combination Additional Fee per Person	2,000 (400)	2,200 (450)

	Enterprise Additional Fee per Person	6,000 (600)	6,600 (700)
--	-----------------------------------------	----------------	------------------------------

*The prices of various options other than the plans stated above are subject to revisions.

*1: Smaregi's fee is charged per store basis.

*2: Smaregi TimeCard's monthly fee is determined based on the contracted plan and is charged on a pay-as-you-go basis when the number of employees increases. The monthly fee does not vary depending on the number of branches used.

3. Impact on earnings

It is currently difficult to calculate the impact on earnings, so we will conduct an examination including the situation at a date following the above price revisions. We will inform you immediately if we determine there is a need to revise the earnings forecast.
