Notice Concerning Support for TCFD Recommendations and Information Disclosure based on TCFD Recommendations

NIPPO LTD. hereby announces to support the recommendations provided by TCFD (“Task Force on Climate-Related Financial Disclosures” ※) and made climate-related disclosures based on the TCFD recommendations.

1. Support for the TCFD Recommendations

NIPPO LTD. identifies the company’s materiality as an initiative to address issues related to sustainability, including social and environmental challenges, and incorporate it into our business strategy to enhance our medium- to long-term corporate value and develop a sustainable society by providing “unique value”.

“Environmental protection” is one of our materiality as well as a global issue that we must address as a corporate responsibility. As a specific initiative, we promote countermeasures to the climate change, and express our support for the TCFD recommendations and disclose information regarding climate-related risks and opportunities based on the TCFD recommendations.

※TCFD refers to the Task Force on Climate-related Financial Disclosures, established by the Financial Stability Board (FSB) at the request of G20, to examine how climate-related information should be disclosed, and how should financial institutions respond.

2. Information Disclosure Based on the TCFD

Please refer to our website “ESG Programs” for our disclosure on governance, strategy, risk management, and metrics and targets in line with the TCFD framework.

(<https://www.nip.co.jp/esg/#activity>)

NIPPO LTD. will continue its efforts to promote countermeasures against climate change and disclose the information to enhance mid- to long-term corporate value and develop a sustainable society.
