

Announcement of issuance of Asahi Kasei Report 2022

Asahi Kasei has announced its issuance of the Asahi Kasei Report 2022. The report discloses various financial and non-financial information such as management strategy, business overview, management structure, activities for sustainability, etc. to allow stakeholders to better understand the Asahi Kasei Group's operating condition and overall business activities.

In 2022, Asahi Kasei celebrated the centennial of its founding and launched a new medium-term management plan (MTP) for fiscal 2024 focused on the theme "Be a Trailblazer." The Asahi Kasei Report 2022 describes specific strategies of the MTP, financial and capital policy, and initiatives to create new businesses by fully utilizing intellectual property and other intangible assets, etc.

Moving forward, Asahi Kasei aims to further enhance its corporate value while enriching information disclosure through Asahi Kasei Reports and other means.
