(Tokyo Stock Exchange Prime Market, Code 6920)

**(Change to Previous Announcement)  
Announcement Concerning Establishment of a New Branch in Israel**

**Yokohama, January 31, 2023** – In our “Announcement Concerning Establishment of a New Subsidiary in Israel” dated October 31, 2022, we announced our plan to establish a new subsidiary in Israel. However, we have decided not to establish a subsidiary in Israel but instead resolved at the Board of Directors meeting held today to establish an Israel branch of Lasertec USA, Inc., which is a wholly-owned subsidiary of Lasertec Corporation.

1. Reason for the change  
We have deliberated over the best structure we should have for our local operation in Israel and reached a conclusion that we can have a customer support operation that flexibly meets customer needs by establishing an Israel branch of Lasertec USA, Inc., which is a wholly-owned subsidiary of Lasertec Corporation.
2. Future outlook  
The impact of this matter on our earnings forecast for the current fiscal year is insignificant. If there arises a situation where a public announcement should be made, we will promptly make an announcement.
