Notice of Extraordinary Loss (Loss on Valuation of Investment Securities)

COMTURE CORPORATION expects to record an extraordinary loss (loss on valuation of investment securities) in the fiscal year ending in March 2023 (April 1, 2022 to March 31, 2023) as follows.

1. Loss on valuation of investment securities

Of the securities classified as investment securities held by the Company, those that are expected to continue declining in the effective prices for the foreseeable future will be written down and recorded as an extraordinary loss.

2. Amount of loss on valuation of investment securities

300 million yen

3. Outlook

This loss on valuation of investment securities will be recorded as an extraordinary loss in the fiscal year ending in March 2023. Information about the effect of this loss on results of operations is in the release dated today titled “Notice of Revisions to the Consolidated Forecasts for the Fiscal Year Ending March 31, 2023.”
