Receiving the "Best of the Best (BOB) Quality" Award from Cummins Inc.

In November 2022, Daido Metal Mexico, S.A. de C.V., a consolidated subsidiary, was awarded the "Best of the Best (BOB) - Quality" award by Cummins Inc. (Note1) as an outstanding supplier in the 2022 Cummins Mexico Supplier Awards.

Plaque

Best of the Best (BOB) - Quality recognizes suppliers that provide Cummins with exceptional products and services.

Daido Metal Mexico S.A. de C.V. received the award this year in recognition of its demonstration and promotion of zero defects, performance in quality, quality assurance support and communication through sales activities.

Encouraged by this award, we will continue to deepen our ties with Cummins and work united as the Daido Metal Group to provide a stable supply of high-quality products under our motto "Quality is Life."

(Note 1) About Cummins Inc.

Cummins Inc. is a global technology company designing, manufacturing, distributing and servicing a broad portfolio of reliable, clean power solutions, including diesel, natural gas, hybrid, electric and other alternative solutions. Established in 1919 and headquartered in Columbus, Indiana (U.S.), Cummins serves customers in more than 190 countries and territories around the world. More information can be found at cummins.com.

(Note 2) DAIDO METAL USA INC, to which the certificate is addressed, is the North American sales base of Daido Metal Co. Ltd., which acts as a direct sales contact with Cummins.
